

Radcliffe Market Hall Community Benefit Society (RMHCBS)

Overview for prospective Board Members / Directors

The RMHCBS Board's key responsibilities are, For the benefit of Radcliffe Market Hall and our wider local community, to develop and promote:

- **our vision and mission statement;** https://9092f1bd-09a0-4588-9596-b4620661e126.filesusr.com/ugd/01143c_838e0479334e4c00a66572ce0b01f367.pdf
- **our culture and values;**
- **accountable leadership; a controlled environment; our governance process; and succession planning.**

Directors will govern and support the Operational Team of employees, traders and volunteers to achieve the above objectives.

Directors may be given a nominal Director title as commensurate with their role, but generally in practice, the various roles are still developing and expanding along with the Market's growth and success. COVID19 has held back some projects and targets and the Directors and Operational Team have pooled resources to keep things going through lockdown, furlough periods and recent re-opening.

The pending AGM on 27th June 2021, gives us the opportunity to expand and refresh our Board.

Directors are encouraged to bring their particular skill sets, expertise and experiences to complement and or enhance the existing resources we already have. They are also encouraged to take the lead on projects where such skills indicate they are the best people to do so, or to work under other Board members' direction.

However, the nature of the beast is that we all muck-in and get our hands dirty where required.

- **Directors must be a fully subscribed member of RMHCBS.**
<https://www.radcliffe.market/membership>
- **A time commitment of approximately 4hrs per week (average)**

To successfully elected Directors, full support and guidance on the operating environment for Community Benefit Societies, including a Code of Conduct, will be given.
